

Wings of Carolina Flying Club

Fact Sheet

The *Wings of Carolina Flying Club* is a true non-profit, volunteer driven organization owned by its members for the benefit of its members and general aviation. Club operations are performed by the club's membership, and the club is governed by its members and follows a set of By-Laws and Standard Operating Procedures published in a Member Handbook.

WCFC members have access to the clubhouse and aircraft at any time. Aircraft and instructors are scheduled via an Internet based application, which may be accessed anytime and from anywhere. Members have unlimited access to the clubhouse which is controlled by an electronic lock.
