WCFC Dues Rebate Program: Volunteer Credits

The Wings of Carolina Flying Club recognizes that there are members for whom a rebate on a portion of their monthly dues would be welcome. The Club also recognizes that, although we are fundamentally a volunteer managed club, there are some chores needing to be accomplished that fall in a category for which the Club is willing to offer a dues rebate credit to members who volunteer for these tasks.

The following rules apply to this program:

1. All Club members who are not Key Volunteers or board members are eligible for this program.
2. A Full Member is eligible for up to three \$15.00 dues rebate credits per month. All members in other membership categories are eligible for up to one \$15.00 dues rebate credits per month.
3. Eligible tasks accomplished under this rebate program are considered to be purely volunteer and do not involve a contract or an employment relationship.
4. Each period of eligible volunteering for which a rebate credit will be offered will be a minimum of one hour volunteer time.
5. Each period of eligible volunteering under this program must be specifically pre-arranged with the supervising Club official (Board member, Key Volunteer, Director of Maintenance, Chief CFI, or other person appointed by the Board.) Specific programs (e.g. Maintenance Night and Plane Washing) and calls for volunteers (special events, etc.) may also be included in this rebate program and do not have to be by pre-arrangement.
6. The supervising Club official will sign the volunteer credit/request for rebate form and forward it to the Club Treasurer or accountant for processing.
7. The Board reserves the right to amend or cancel this program at any time.
